

Floating Sauna Lake Burley Griffin (Updated 20 June 2024)

Written description of the proposed works for a Floating Sauna

It is proposed by the applicant, Providence NDR Pty Ltd, to construct a Floating Sauna and gangway on land at Yarralumla Beach East. The location is shown in the attached site plan.

There are no services (water, sewer, gas, electricity or NBN) to be connected to the proposed works.

The proposed materials and finishes are detailed in the attached plans and example images.

There are no services located in the vicinity of the proposed works.

There will be no disturbance of soil on the land (the gangway rests on the bank of the lake).

A site barrier (temporary fencing) will be erected prior to any works commencing, including construction and safety signage in accordance with the National Construction Code.

The duration of the construction will be four (4) weeks).

An application for Works on Unleased Territory Land has been lodged with the ACT Government.

All works will be carried out under contract by MBS Facilities Management (Nathan Volke).
