

2024 APS CENSUS ACTION PLAN

OBJECTIVES

ACTIONS

Health and Wellbeing

Develop a health and wellbeing education and awareness strategy.

Active support and engagement with the NCA Social Club.

Innovation and Creativity

Establish a platform to enable staff to share ideas for innovation and creativity across the organisation.

Champion our innovative and creative contributors through the establishment of a rewards and recognition platform.

Promote inclusive, cross-functional collaboration

Change and Communications

Develop an internal communications plan to ensure messaging across the agency is consistent and effective.

Adopt a suite of change management tools to manage change within the agency.
